Gilbert Announces Recycling Task Force to Conduct Hearing in Port Huron

(LANSING) – State Senator Jud Gilbert, R-Algonac, today announced the Michigan Beverage Container and Recycling Task Force will conduct its next hearing Monday, April 21 in Port Huron.

The hearing will be held from 7 to 9 p.m. in the Public Meeting Room of the Municipal Office Center at 100 McMorran Boulevard in Port Huron, Mich. 48060.

“I urge all interested residents in the Port Huron area to attend the meeting to discuss ways in which the state can improve its recycling program,” Gilbert said. “Previous meetings have been overwhelmingly successful and I encourage Port Huron residents to attend the hearing to help send their ideas to Lansing.”

The task force is responsible for reviewing Michigan’s current recycling program and Beverage Container Law. The first three hearings in Grand Rapids, Oakland County and Coldwater attracted up to 200 participants.

Interested parties with questions regarding the task force may contact Senator Gilbert’s office at (517) 373-7708.
